Company Summary

About our business

Introduction & Ownership

African Industries Investment Supply (Pty) Ltd is a **100% Black-Owned** enterprise proudly holding a **Level 1 B-BBEE Status**. Established in **2019** and headquartered in **Witbank (eMalahleni Local Municipality), Mpumalanga**, the firm was founded to deliver essential general mining supplies, and comprehensive mining services. Our company was founded & headed by **Nkosinathi Nkozi**, He is a founding director, with more than 11 years' experience in the day-to-day sales, mining supplies and mining services.

Why Choose Us

African industries investment supply is committed to helping its clients and customers to reach their goals, personalisation of great experience, to providing an innovative environment, resolving their problems and making a difference through our services and professionalism.

Our strong sense of identification with client projects is that we are constantly striving to provide solutions for brought forth problems with inclusive of those they aren't aware of. We have adopted a progressive approach to technology and marketing techniques that makes our services easy to understand.

This sense of identification also means we value and promote interaction with client's team to ensure the best value within their borders of budget giving them leisure of best service to be rendered. Our long experience in the service rendering business has given us expertise which reaches across a number of sectors as well as expertise of specific protocol and local regulation. With evolving and changing of systems and things we are constantly striving to adapt and improve.

Core Business and Diversified Portfolio

While buying and selling general mining supplies, including distribution, remain a primary focus, African Industries Investment Supply has strategically diversified its offerings to provide integrated solutions. Our robust portfolio now includes

Energy & Fluid Distribution:

Gas and Lubricant Distribution

Industrial Supplies:

Automotive & Commercial Batteries, Electrical & Mechanical Supplies, Welding Consumables, Spares & Tools.

Site Support Services:

Plant Hire Services, Portable Toilet Hire, Waste Management.

Infrastructure & Safety:

Civil and Construction Services, Personal Protective Equipment (PPE) & Chemicals.

Maintenance Services:

Office and Shop Cleaning Services, Wheel and Tyre Products.

This strategic expansion allows us to cater to a broader spectrum of client needs while upholding our commitment to quality and sustainability across all operations.

Mission, Vision, and Values

Our Mission

To be a **symbol of hope and inspiration** for young industrialists and professionals, championing **entrepreneurship** as a vital pathway to alleviate poverty and drive progress across the African continent

Our clients Samancor cr, Seriti, Babcock, Eskom, Wf kroon, Glencore, Thungela

Our Vision

To dominate the markets for sales, general mining supplies, civil and construction services engineering, and mining services across the African continent, achieved through a continually expanding and diverse industrial footprint.

Core Values

Our operations are guided by Respect and Trust for Employees, a strong Entrepreneurial Flair, and unwavering Accountability.

Quality Assurance and Client Focus

Our success is built on a commitment to servicing clients with professionalism and expertise, by strongly identifying with their desired outcomes. This responsibility drives us to consistently add value, solve problems proactively, and seamlessly adopt client-specific procedures. Our approach is distinctively innovative, constantly seeking new ways to increase client visibility and brand value.

Corporate Social Investment (CSI) and Partnerships

CSI Commitment: Our communities are at the very centre of our operations. We ensure our business activities generate positive contributions to the regions where we operate. Through responsible sales and distribution, we act as stewards of the country's natural resources and social capital to build happy, healthy communities.

Partnership Philosophy: As a proudly South African-owned business, we champion internal equity, reflected by equal female representation across our structure. We place client needs first. Our dedicated staff and outsourced teams possess the requisite training and professionalism to deliver superior service, founded on a business philosophy of honesty and mutual benefit.
